**“Subsiding Wind” by Michael Torres**

Lubbock, TX – The Buddy Holly Center is excited to present, *Prelude*: an exhibition opening in the Texas Musicians Hall of Fame Friday, December 16, 2011. *Prelude*: will feature the paintings of local artist, Michael Torres. He explains his current work in this way: "What you see on these walls is a result of that ongoing journey, each piece a reflection of only moments ago, somehow intertwined in the now. I would never claim to have instances of genius, or ideals that set me apart from anyone else. My work is a real life story, unfolding before you as an excerpt from my timeline, and always a Prelude: Nothing more... and nothing less." The Buddy Holly Center will showcase *Prelude*: through January 22, 2012.

Programming at the Buddy Holly Center is made possible in part by the generous support of Supporters of the Fine Arts (SOFA), CH Foundation, Helen Jones Foundation and the City of Lubbock. For more information about this exhibit or other events, please contact the staff at the Buddy Holly Center at 806-775-3560.
